

The Massachusetts Department of Workforce Development Division of Unemployment Assistance Revenue team is offering 5 QUEST (Quality Unemployment System Transformation) training sessions for employers at locations around the Commonwealth during the next two weeks. DUA wants to help Mass businesses make the transition to the new QUEST online self-service system for submitting their Registration, Wage and Employment Reporting, Tax Calculation and Payments on line in advance of the timely filing deadline of Feb 16, 2010 for last quarter 2009. QUEST also helps Mass employers maintain and manage their accounts on line. Please RSVP to the QUEST Revenue Call Center at: 617-626-5122. We plan to run these sessions in the following cities on the following dates and locations:
